**Willamette Manor receives grant from the Robert H. and Elizabeth C. Noyes, Jr. Fund of The Oregon Community Foundation**

Willamette Manor Assisted Living is the recipient of a \$20,000 grant from the Robert H. and Elizabeth C. Noyes, Jr. Fund of Oregon Community Foundation to complete the third phase of the roof replacement.

Willamette Manor is a stand-alone nonprofit assisted living facility in Lebanon, Oregon, that has been serving area residents for almost 90 years. The mission of Willamette Manor is to provide quality services with Christian values to seniors and disabled persons in rural Linn county.

Oregon Community Foundation (OCF) puts donated money to work in Oregon – more than \$100 million in grants and scholarships support Oregonians annually. For nearly 45 years, OCF grantmaking, research, advocacy and community-advised solutions have helped individuals, families, businesses and organizations create charitable funds to improve lives for all Oregonians. Impactful giving – time, talent and resources from many generous Oregonians – creates measurable change. The Foundation makes grants through an application process that involves local citizens in the review and evaluation of requests for funds. Application materials are available through the Foundation’s Portland office.

Individuals or businesses interested in establishing a fund may contact the Eugene office at 440 East Broadway, Suite 160, Eugene OR 97401, 541-431-7099, or visit [www.oregoncf.org](http://www.oregoncf.org).
